Subject: FB ticket upgrade request

Dear Sooner Club:

Please see the request below to upgrade the location of the OU football season tickets on our account (#123456).

1. As close to midfield as possible in the West upper deck (preferably sections 103-107)
2. Prefer 4 seats together, but willing to split 2 and 2 in same section if it improves location
3. As low as possible

Thank you for any assistance you might be able to provide. We're looking forward to another great season.

Boomer Sooner!
